## THE CHALLENGE

JaxParks is teaming up again with the Friends of JaxParks Geocachers to present the 5th Annual JaxParks Geocache Challenge. In this high-tech treasure hunt, participants will have the opportunity to earn a newly designed "geocoin" by finding hidden caches in 25 of the 30 featured parks.

## HERE IS HOW IT WORKS

Thirty containers, or caches, have been hidden in parks throughout the city. Participants will use a global positions system (GPS) device to locate the containers.

GPS coordinates and clues for each cache will be revealed on Sunday, September 4, 2016 on [GEOCACHING.COM](http://GEOCACHING.COM). Search by the GC# in this brochure or under the username "Friends of JaxParks." Or, get a head start by attending the kick-off event at Bethesda Park on September 3 at 10am where the coordinates will be provided one day early.

Inside each cache is a unique stamp and ink pad. Use the provided stamp and ink to mark the verification passport for the associated park. Once you have at least 25 stamps, you qualify for the coin.

## THE COIN

To obtain your trackable coin, take your verification passport to REI in Jacksonville. The first 100 participants to check in with a unique geocaching name will receive a coin.
