

## 2017 JaxParks Geocaching Challenge Passport

The 2017 JaxParks Geocaching Challenging has caches in each of the 30 listed parks. You will need to record **25 out of the 30** caches to qualify for a coin. Within each cache, there is a stencil attached to the log (please do not remove from cache). Orient the stencil with the punched hole to the upper left. Use a pencil or pen to trace around or shade in the shape of the stencil in the corresponding box.
