Ten caches have been hidden for the 2021 Jacksonville Geocaching Challenge. Use the stamp provided in each cache to stamp the image into the corresponding box on this Passport. Please do not remove the stamp from the cache. You have completed the Challenge when you find all 10 of the caches and correctly stamp this Passport at each cache. **All stamps must be on one Passport. One token will be awarded per Geocaching Name. Each individual or team must present one qualifying Passport to REI Associate for verification to receive a token. All participants must be present to receive a token.**

*While enjoying the chance to get outside with your family to find the 2021 Jacksonville Geocaching Challenge caches, please follow all CDC, State of Florida and Duval County guidelines. Wear your mask, practice social distancing, wash your hands for twenty seconds with soap and water frequently and use hand sanitizer when handwashing is not convenient.*
